

"LIGHT UP A LIFE" PROVIDES HOSPICE CARE AND REMEMBRANCE OF LOVED ONES

The Visiting Nurse Association is displaying its annual "Light Up a Life" trees in December to honor the memory of family members and other loved ones.

"Light Up a Life" trees in the Visiting Nurse Association's branch offices in Dallas, Denton, McKinney, and Kaufman are being decorated with white paper doves inscribed with the names of honorees. A paper dove bearing the name of a loved one can be placed on one of the trees for a \$20 donation to the Visiting Nurse Association's Hospice program.

Funds raised from "Light Up a Life" are used to provide hospice services to terminally ill patients and their families in Northeast Texas who lack resources for needed care.

Donations to "Light Up a Life" can be made by contacting the following offices of the Visiting Nurse Association:

- Visiting Nurse Association (Dallas County) – (214) 689-2672
- Ann's Haven VNA (Denton County) – (940) 349-5900
- Visiting Nurse Association of Collin County – (972) 562-0140
- Visiting Nurse Association of Kaufman County – (972) 962-7500

The Visiting Nurse Association's Hospice program will be displaying its annual "Light Up a Life" trees in December. Donations to "Light Up a Life" help the Visiting Nurse Association provide hospice care to patients and their families in Northeast Texas.
