

## **VNA CARE IS MUSIC TO THE EARS OF WRR LISTENERS**

Tune in to WRR 101.1 FM at noon during the first week of each month and hear about how VNA's home care, hospice, and Meals on Wheels programs are making a difference in the lives of seniors throughout Northeast Texas.

Tempie Lindsey, WRR's "Classic Café" host, interviews VNA home care professionals, Meals on Wheels volunteers, members of the board of directors and advisory committees, and other community leaders about the work they are doing to support VNA's mission.

VNA guests share their experiences and offer helpful information about getting needed care for patients and their families, as well as how to become part of VNA's team of caregivers.

Recordings of the interviews can also be heard on VNA's website by going to <http://www.vnatexas.org/news> and clicking on "Radio Interviews About VNA."

Make WRR 101.1 FM part of your day. Join Tempie Lindsey the first week of each month at noon and listen to the sweet sounds of VNA care.
