## Delivering Care in 2010

The Visiting Nurse Association's Diamond Jubilee year is drawing to a close. It's been an eventful 12 months, filled with memorable generosity and support from the community for the Visiting Nurse Association's home care, hospice, long-term care, and Meals on Wheels programs.

2010 isn't the end of the need for VNA care, but a continuation of a mission that began 75 years ago. VNA's work today is just as important as it was in 1934. And so is community support.

The need is still there for the community to utilize VNA home care and hospice, provide volunteer assistance for Meals on Wheels, and contribute generously to enable VNA to provide care for those who lack financial resources.

The Visiting Nurse Association's annual fundraising event, the "Wheels for Meals and More" gala, will get a quick start in 2010 at a spectacular location – February 28 in the Dee and Charles Wyly Theater at the AT&T Center for the Performing Arts in Dallas. Nita and Cullum Clark, are co-chairing of the gala, with Bess and Ted Enloe serving as honorary chairs.

The "Wheels for Meals and More" gala will carry the theme of "A Classic Evening of Caring." The fundraiser will benefit the Visiting Nurse Association's home care, hospice, and Meals on Wheels programs. It promises to be a classic night to remember.

Underwriting and ticket information for the Visiting Nurse Association's "Wheels for Meals and More" gala can be obtained by calling or emailing Christina Moore at (214) 689-2211 or [moorec@vnatexas.org](mailto:moorec@vnatexas.org). Additional information about the Visiting Nurse Association can be found online at [www.vnatexas.org](http://www.vnatexas.org) and by calling (214) 689-0000.
