

2009 Honor Roll of Donors

VNA's "tradition of caring" — for the home care, hospice, and nutritional needs of our community — is a tradition that our valued supporters have made a reality today, and will continue into a hope for tomorrow.

Robert P. Carpenter

A Tradition of Caring
A Future of Hope

Thank You for Your Generosity and Caring

VNA is grateful to all who faithfully support our work. The following honor roll recognizes those who have given \$250 or more from July 1, 2008, to June 30, 2009.

The VNA Caring Society was created in 1996 to establish a foundation of annual support for VNA — a leadership group that would help ensure that VNA would be able to care for the most needy members of our community. Members of the Caring Society choose to demonstrate their support by contributing \$1,000 or more annually to the Visiting Nurse Association.
